Annual Parish Meeting

All Parish and Town Councils throughout England are required by law to hold an Annual Parish Meeting between 1st March and the 1st June. Due to the delayed Election, a notification of postponement was published during that period.

Purpose of the Annual Parish Meeting

The purpose of the Annual Parish Meeting is for the Parish Council to explain what it has been doing over the last year and enable electors to raise any matters or issues they consider to be important to the people of the Parish.
