### **4A. Planning Application for Brook Cottage Arena**

The applicants explained they wanted to create an all year round riding surface by cutting into the ground to form a level area. There will be machinery on site for about two weeks to carry out the work, and the facility is only for the use of the owners. Councillors had no concerns and recommended permission under Option 3 as it will mean the horses will not need to use the roads

#### **4B. Planning Application for Rear of Rose and Thistle**

The Rose and Thistle want to position three shepherds' huts on the land at the back of their car park as holiday accommodation. Councillors recommended permission for this under Option 3 as it will support a local business and benefit the village

This had been discussed at the previous Annual Assembly and the Clerk will arrange a meeting with the HCC Team Leader to discuss traffic calming options. Councillors asked the Clerk to contact the school to involve them in the process

#### **6. Lengthsman Scheme**

The Lengthsman cut back footpaths in April but some are already overgrown again. The Clerk will arrange another day of work on the footpaths as soon as possible
